

Neurologic Equal Access Clinic

FREE Physical Therapy Services for patients with Neurological Conditions

Get the quality healthcare you need, from student physical therapists working under the supervision of licensed Physical Therapists who specialize in working with patients with neurological conditions.

WHO:

- **Available to anyone** seeking treatment with a neurological-based focus
- **No referral necessary** (for the first 30 days)
- **No appointment necessary**, though slots fill up fast

VOLUNTEERS:

- Doctor of Physical Therapy (DPT) students work hand in hand with local clinicians to provide the patients with quality care while gaining first-hand experience with assessment and treatment.

WHY:

- We, the students, strive to provide high quality, pro-bono physical therapy care as we learn and give back to those in our community.
- The DPT Neuro EAC is strictly non-profit

WHEN:

- **Every Thursday night** (except UF holidays)
- **6-8pm** (please arrive by 7pm to guarantee your spot)
