9:00 – 10:00

“Diagnosis, Pathophysiology, and Treatment of Tourette Syndrome.”

Joseph Jankovic, MD

Professor of Neurology

Distinguished Chair in Movement Disorders

Director

Parkinson’s Disease Center and Movement Disorders Center of Excellence

Baylor College of Medicine

10:00 – 11:00

“Neural Devices to Promote Plasticity and Recovery Following Spinal Cord Injury.”

Chet Moritz, PhD

Allen Distinguished Investigator

Associate Professor

Division of Physical Therapy

Departments of Rehabilitation Medicine and Physiology and Biophysics

Deputy Director, Center for Sensorimotor Neural Engineering

Program in Neuroscience

University of Washington

11:00 – 11:15 Coffee Break

11:15 a.m. – 12:15 p.m.

“Development of State-of-the-Art Combination Therapies for Duchenne Muscular Dystrophy: The Contribution of Clinical Outcome Measurement Science.”

Craig M. McDonald, MD

Professor and Chair

Department of Physical Medicine & Rehabilitation

Professor of Pediatrics

Director, MDA Neuromuscular Disease Clinics

Director, Neuromuscular Disease Research Center

University of California Davis Health

at **University House:**

2:00 – 4:00 Poster Session

4:00 – 4:30 Poster Awards Ceremony

All plenary lectures and the 2-4 p.m. poster session are free and open to the public.
